

## Route description to Fugeia Head Office

### Coming by car from Brussels or Liège/Luik

- Take highway E40 (Brussels - Liège/Luik) in the direction of Leuven. Take exit Leuven/Hasselt/Genk (E314). Take the first exit Leuven (Exit 15), leading you onto road N264. At the second set of traffic lights, turn right into the 'Wetenschapspark Arenberg'.
- Inside the 'Wetenschapspark Arenberg', take an immediate right onto the Gaston Geenslaan and continue until the roundabout where you take a U-turn. Follow the Gaston-Geenslaan in the opposite direction until you see the 'Bio-incubator Leuven' building at your right hand side. To park the car continue until the next roundabout, take a U-turn and park on the parking lot opposite the 'Bio-incubator Leuven' building.

### **Coming by car from Hasselt/Genk/Aachen/Maastricht**

- Take highway E314 (Aachen- Leuven). Take exit 15, direction Leuven, leading you onto road N264. At the second set of traffic lights, turn right into the 'Wetenschapspark Arenberg'.
- Inside the 'Wetenschapspark Arenberg', take an immediate right onto the Gaston Geenslaan and continue until the roundabout where you take a U-turn. Follow the Gaston-Geenslaan in the opposite direction until you see the 'Bio-incubator Leuven' building at your right hand side. To park the car continue until the next roundabout, take a U-turn and park on the parking lot opposite the 'Bio-incubator Leuven' building.

### **Coming by car from the Leuven belt way**

- Take highway E314 (Aachen- Leuven). Take exit 15, direction Leuven, leading you onto road N264. At the second set of traffic lights, turn right into the 'Wetenschapspark Arenberg'.
- Inside the 'Wetenschapspark Arenberg', take an immediate right onto the Gaston Geenslaan and continue until the roundabout where you take a U-turn. Follow the Gaston-Geenslaan in the opposite direction until you see the 'Bio-incubator Leuven' building at your right hand side. To park the car continue until the next roundabout, take a U-turn and park on the parking lot opposite the 'Bio-incubator Leuven' building.

### **Coming by car from the Leuven belt way**

- Leave the Leuven belt way onto road N264 in the direction of highway E40 (Brussels – Liège/Luik). At the second set of traffic lights, turn left into the 'Wetenschapspark Arenberg'.
- Inside the 'Wetenschapspark Arenberg', take an immediate right onto the Gaston Geenslaan and continue until the roundabout where you take a U-turn. Follow the Gaston-Geenslaan in the opposite direction until you see the 'Bio-incubator Leuven' building at your right hand side. To park the car continue until the next roundabout, take a U-turn and park on the parking lot opposite the 'Bio-incubator Leuven' building.

### **Coming by public transport**

- Take the train to Leuven railway station. You can consult the train schedule on the website of the Belgian railways ([www.b-rail.be](http://www.b-rail.be)).
- At Leuven railway station, take bus line 2 ('Heverlee Campus' on the front). Get off the bus at bus stop 'Celestijnenlaan', in front of the 'IMEC' institute. From the bus stop it is a 3 minutes walk.
- Continue along the Celestijnenlaan in the direction of the Koning Boudewijnlaan (N264) and turn left into the Steengroevelaan (follow direction of 'kinderdagverblijf de villa').
- Follow the Steengroevelaan for about 300m until you reach the building 'Bio-incubator Leuven'.
